- Image tag:

``

``

- Options: extra information
 - Some required
- No end tag, src required, width optional

Image and Multimedia Tags

- Image tag:

```

```

```

```

- Options: extra information
 - Some required
- No end tag, src required, width optional

Image and Multimedia Tags

- Image tag:

```

```

```

```

- Options: extra information
 - Some required
- No end tag, src required, width optional

Image and Multimedia Tags

- Image tag:

```

```

```

```

- Options: extra information
 - Some required
- No end tag, src required, width optional
 - height=
 - CSS later

Linking Pages Together

```
<h1>Where to learn HTML?</h1>
```

```
<p>
```

There are many sites that will serve as ...

```
<p>
```

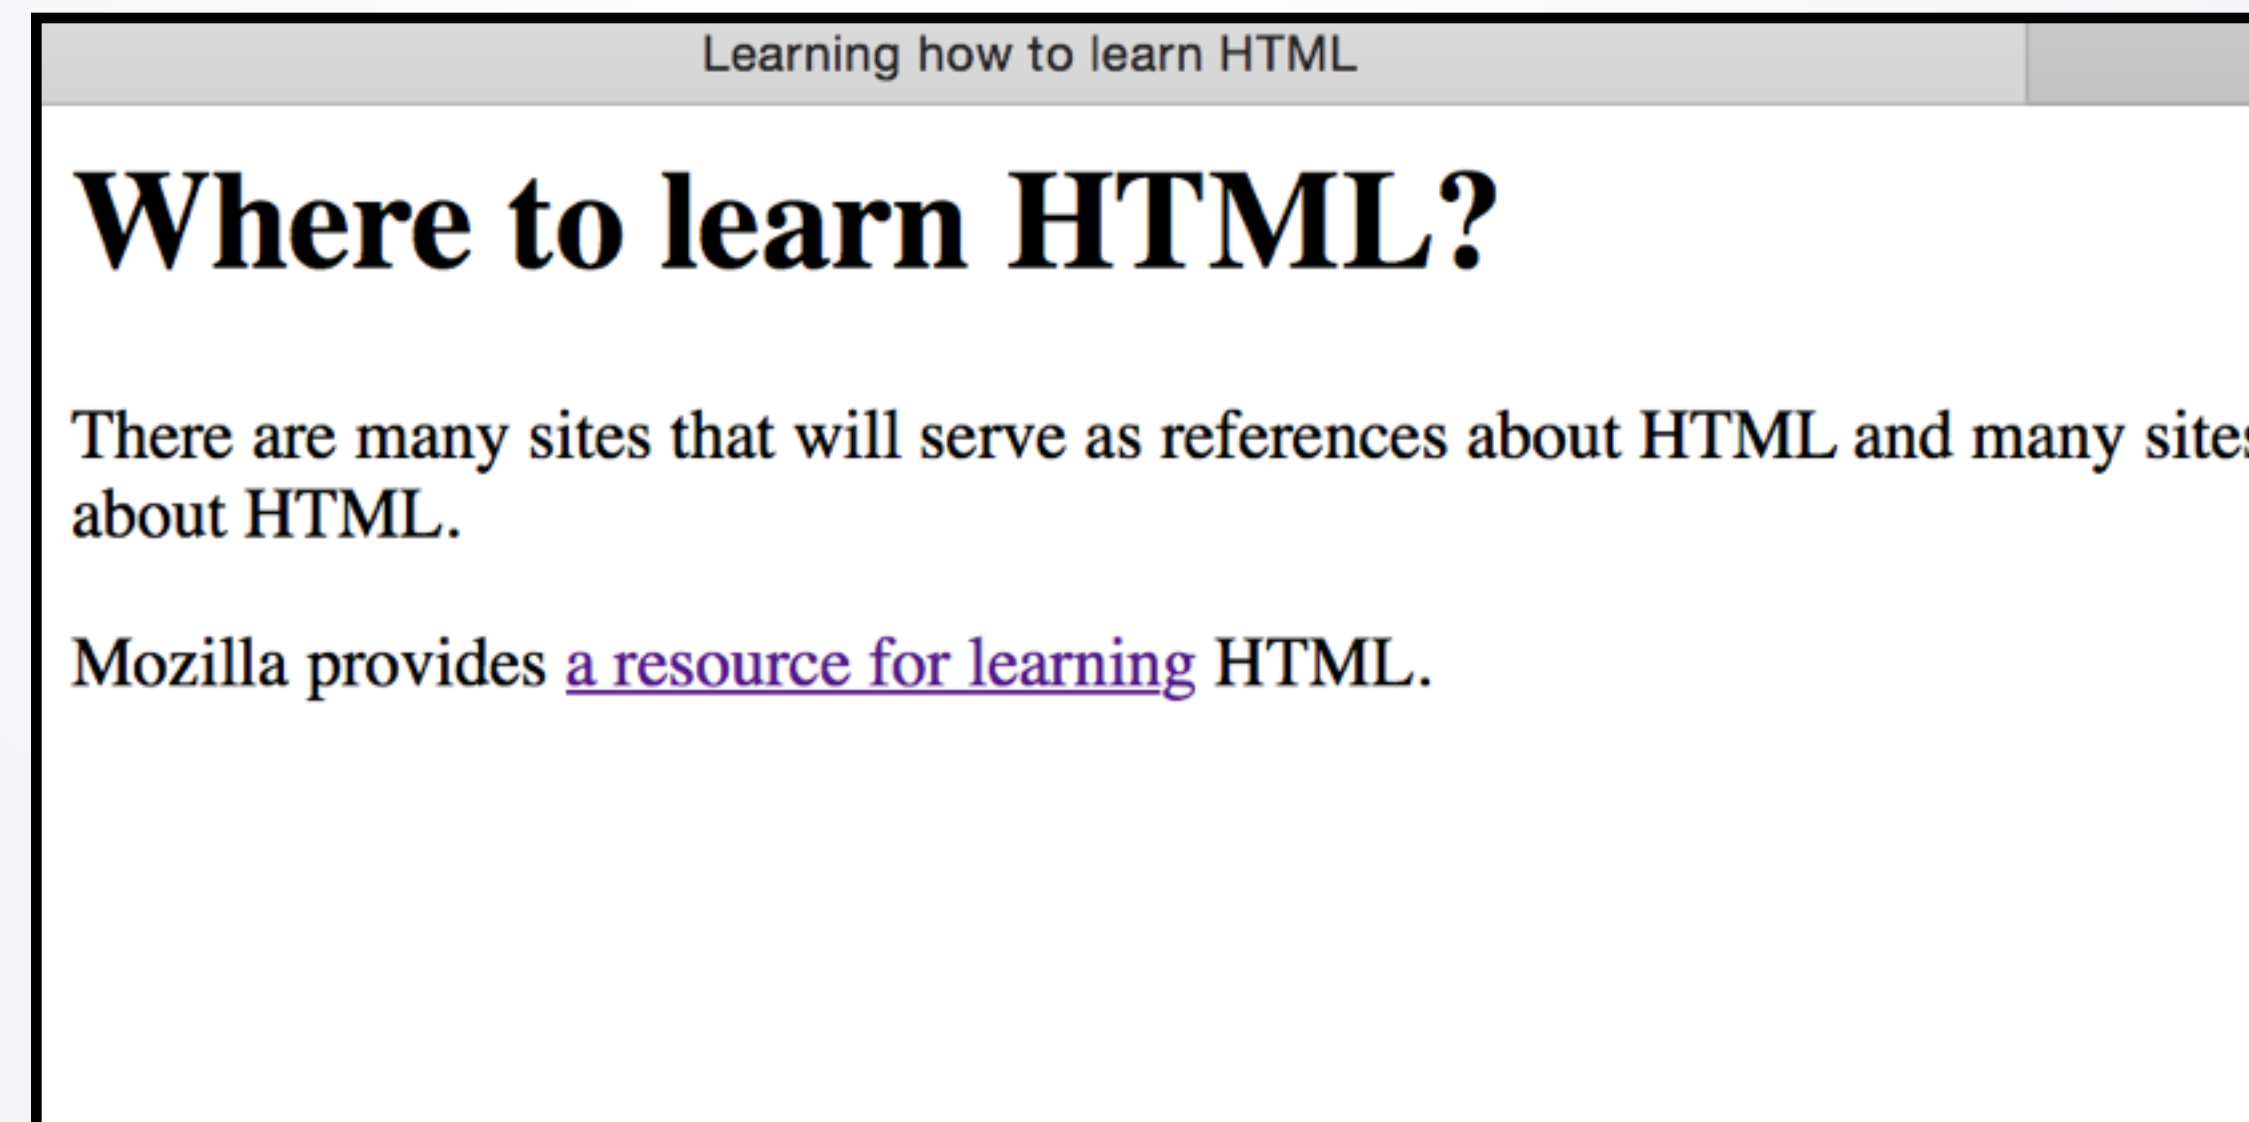

Mozilla provides

```
<a href="https://developer.mozilla.org/en-US/Learn/HTML">
```

a resource for learning

```
</a> HTML.
```

- anchor tag
- href attribute
- clickable text!
